

# Dullatur Community Council Summer Newsletter

Dear Resident

Summer arrived with a sizzling start and left with us wanting more and the smell of outdoor cooking wafted through the village. Hopefully the cloudy but dry weather will change soon to a settled warm long holiday period. All the gardens are looking spectacular; especially the rhododendrons, they were wonderful this year.

This newsletter is normally the short one as most of the groups are shutting down for the summer break. So we will get down to the usual “Keep Alert” warning. For those of you on the Community Council’s Residents e-mail list you will be aware to the speculative thieves touring the area in a white van, two teenagers around 15/16 with short fair hair are picking up any unsecured cycles. All tennis club members have been asked to park their cycles within the Community Council premises. It has been reported a silver car has been seen driving slowly round the village. The Community Police have been notified. Please, if you have not given me your e-mail address can you do so; it is not used for anything other than reporting public warnings and newsletters.

## Dullatur Lawn Tennis Club

The club has enjoyed a great start to the season. The courts are teeming with junior members after school and on the weekends. We have 56 juniors, ranging from the age

of 4 to 16 years at the coaching evening on Thursdays. Under the direction of our coach Neil we have watched the juniors improve their skills and several have been promoted to higher groups.

Knock out matches have been played and several stunning matches have been enjoyed so far. The Finals Day on 22 August should be a very exciting day; with all levels playing to a very high standard. It has been great to see the parents and sons and daughters playing together, with more than a little competitiveness thrown in for good measure.

We hope you all have a great summer and we'll be back with the news and dates in September.
